V NEWCASTLE UNITED - FA YOUTH CUP ROUND FOUR  
WEDNESDAY 18TH JANUARY 2006 - HILLSBOROUGH - KICK OFF 7:00PM

## Cup Comment

Sean McAuley  
SWFC Academy Manager

Hello and welcome to tonight's FA Youth Cup fourth round tie against Newcastle United.

I would like to extend our welcome to all the staff, players and supporters of Newcastle United. This mouth-watering Cup-tie will provide a tough assignment for our youth team.

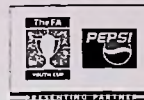

Newcastle, who came through on penalties against Stoke in the previous round, will provide a big test for us, but more importantly it's a big game for the players. It's a chance for them to play at Hillsborough and pit their wits against good players from a Premiership club. It's a good draw, and if it were to happen at first team level it would be a really interesting game, so it's no different at youth team level. We're excited about playing Newcastle, but we have just got to focus on doing our job.

It's sink or swim time for the young lads. They did well against Southend but this will be a different challenge. However they should be playing with a bit of confidence, especially having played at Hillsborough before.

Obviously this is a different type of game from the league because it's a knockout competition, a win or lose situation, so we'll approach it with all guns blazing. We know that we have only got one chance, so will go at it firing on all cylinders.

On behalf of everyone at Sheffield Wednesday Football Club, I would like to thank you for your support.

Enjoy the game.

## FA Youth Cup 2005-06 Third Round Report

### Sheffield Wednesday 2-0 Southend United McClements 62, 86

Dave McClements' second-half double-strike gave the Owls a fully-deserved 2-0 win to take them into the fourth round of the FA Youth Cup.

Wednesday's five-man midfield dominated possession throughout the 90 minutes but they had rarely threatened the Southend goal until McClements took full advantage of a mix-up in the United defence just after the hour mark. The Northern Irishman chased a lost cause and, when Carl Patten tried to shepherd the ball back to Joe Welch, the keeper hesitated, allowing McClements to nip between the two and slide a cool finish into the empty net.

The Owls created plenty of opportunities to extend their lead, Kyle Jordan glancing a header just over from Richard Jones' cross and Tommy Spurr having a goal disallowed for a push on the keeper before he saw a header cleared off the line.

But McClements completed a satisfactory night's work for Mark Smith's side when Southend failed to clear a free-kick into their penalty area. The loose ball came to the midfielder, 15 yards out, and he smashed in a low drive to send Wednesday through to the last 32.

Wednesday (3-5-2): O'Donnell; Appleyard, Broadbent, Spurr; Fores-Chambers, McClements, Brackenridge, Coys (McMenamin h-t), Jones; Bowman (Jordan h-t), Kee (Wisdom 71). Subs: Liversidge, White.
